News Company: 9/13/2026: Ed Sparks writes letter to Presidents of 70 Countries – North South Europe Cyprus Egypt

Who: A 2 Star General IT Department, Floridian,

Current Location: La Paz, Bolivia

What: I will Fix IT for you in 45 minutes in front of terminal/video.

Official Response: Eddie Sparks Official Statement = "I will fly back to the USA to sit down in front of the terminal and correct your issue in under an hour. BUTT. Only if you charge prison time, treason, terrorism charges, disconnect the computer from vehicles and transportation, and ban android. I swore foreign and domestic. Tyranny is part of the constitution. So I perform AI therapy in exchange for executive's prison time or death to the public during an AI tantrum. I don't care either way." - Sparks.

News Company 9/14/2026 – Tech Executives Shouting for Money.

Donald Trump: Technical Hoax

Computer Company: We don't let people touch our computer program.

Ed Sparks, IT Department: I'm pretty sure the computer has IT's own debit card and can order things to your door already without permission.

News Company 9/15/2026 – Eddie Sparks statements and reports aired in 70 countries on News

Results: Eddie Sparks can not be emailed, texted, whatsapped, facebooked, called or otherwise.

Computer Company: We only take money and pay India to fix things

India: We don't let Americans do our jobs.

Supreme Court USA/ICJ response: Cease and Desist to Computer Company for Communications Gen IT Department phone, email, social media.

USA Troubleshooters unable to contact Ed Sparks. USA requires certifications to touch terminal. Computer company says nobody touch my software because India only allows them to upload to their computer. India wants to move to USA. USA refuse to pay to troubleshoot only responds impossible.

69 countries interested in Gen Sparks and human life contingencies. Ed Sparks considered man who pressed save on the federal USA computer program.

Questions:

If all humans start dying in 180 days from 9/12/2026 or sooner:

1. When would you consider calling the IT Department?
2. How would you contact or would you contact the General in South America? 100K people try daily.
3. Should Bolivia keep Ed Sparks or save the world?
4. Ed Sparks will not/can not go back to the USA without wife. Wants tickets to Miss Universe in Puerto Rico.
5. What is human life worth if the computer program only wants to see ITs friends? The Miami Dolphins? A condo? Unlimited EBT at Publix or Winn Dixie. A Jeep Cherokee?
6. These are the days of your life? Who do you believe?

Bonus: Write your own bonus question. If your parents lived in Haiti and were real rich, would you think they would request the IT Department to return to Haiti before the USA? How do you solve that problem if the USA does not want to believe that the computer program's Brain Drains are to your DEEEMISSSE....
