## An Update with You in Mind

WordPress 4.8 adds some great new features. Gear up for a more intuitive WordPress!

Though some updates seem minor, they've been built by hundreds of contributors with you in mind. Get ready for new features you'll welcome like an old friend: link improvements, three new media widgets covering images, audio, and video, an updated text widget that supports visual editing, and an upgraded news section in your dashboard which brings in nearby and upcoming WordPress events.
